

GIFT OF STOCK FORM: BOSTON AREA GLEANERS

Thank you for your interest in making a charitable gift to Boston Area Gleaners (BAG) in the form of a Stock Transfer. Please complete and return the second page of this form so that we are aware of the transfer and can confirm its receipt. Please email the completed form to development@bostonareagleaners.org.

For stock held in brokerage accounts, your broker can assist you in making a gift of stock via a direct transfer to BAG. Giving a gift of publicly traded stock that has increased in value and that you have owned for more than one year may provide better tax benefits than giving cash. Your charitable income tax deduction is equal to the fair market value of the stock and you avoid paying the capital gains tax on any increase between the current value over the original cost of the stock.

You may also be eligible to increase the power of your donation with employer matching funds. Many employers will match your personal donation. Check with your company for more information on matching gift programs.

If you would like to make a donation of stock to BAG (Tax ID# 30-0434755), please note the following information:
